My name is Ian Smith, I have known Hornsea School for many years, firstly as a parent as my three children all attended the School.

I was honoured to become a Governor a number of years ago, and have seen the School grow into the excellent place it now is. The Head and all the staff strive to continue to improve all aspects of the School year on year. I have particular interest in Learning Support and Student Support and am link governor to both these departments. I am also the Child Protection and Safeguarding governor. At present I also serve on the governing body of Hornsea Community Primary, and I am the chair of the East Riding Short Stay Schools management committee, and also as a Hornsea Town Councillor, and Chair of Hornsea Cottage Hospital League of Friends.

I have been a Community Governor at HSLC since October 2000. I have lived in Hornsea since 1985 having moved here from Scotland. I am married with three grown up children, all of whom were educated at HSLC. For the last fifteen years I have worked at Eastgate Medical Group in the dispensary, and have recently retired. I enjoy reading, gardening, walking and singing in a local choir, spending time with my two grandchildren, and, when time allows, travelling.

I very much enjoy all aspects of being a Governor and have served on various committees, and been linked to several faculties. At present I am the link Governor for Extended Schools and I am a member of the finance, personnel and curriculum sub committees.

I feel extremely proud to be associated with HSLC and over the last twenty years, I have seen the school progress enormously, and I believe is well on its way to becoming an "outstanding" school.

I am a parent governor. We live in Skipsea Brough and have three children, the eldest of which has just completed her A'Levels, our middle daughter is entering year 11 and our son is due to start in September 2017. I am a science teacher and am currently working as an Education guide for Yorkshire Water at their nature reserve at Tophill Low. I am also working on a research project for the Biological Sciences department at Hull University linked to outdoor learning. I am interested in all aspects of natural history and am a keen birdwatcher. I also enjoy running. I am committed to the education of my children and am delighted that, in Hornsea, we have good schools that deliver high quality education. I am very proud of Hornsea school and its achievements and pleased that I can be a part of it and be involved in my children's education. I am chair of the curriculum committee and sit on the personnel and scrutiny committees.

Having been a teacher until I retired, education has always been my greatest interest. I was originally a Hornsea governor when my children were pupils. I am also a governor at Leven Primary School and secretary of two educational charities. As a governor at HSLC I am a member of the Personnel, Finance and Curriculum sub-committees. I am particularly interested in curriculum issues which are becoming increasingly worrying as government cuts bite. As the link governor to the Social Science faculty I visit classes in Sociology, Media Studies, Philosophy, Photography, Psychology discussing with the students the topics they are working on and discussing with their teachers any particular problems they might have. The rest of my time is taken up with my garden, animals and reading.

Hello, my name is Kirsty Maiden and I am in my ninth year of teaching at Hornsea School and Language College as a Drama and Media Studies teacher for all key stages. I also oversee the Nurture group and Personalised Pathway groups at HSLC.

I attended Hornsea School and Language College as a pupil and after living in Hornsea all my life I am very passionate and committed to the school. I graduated from Scarborough University in 2008 and feel very lucky and privileged to be working in such a friendly school which is well on its way to becoming an 'Outstanding School'. I believe that every child can reach their potential within Hornsea School and Language College.

I am very active within the Hornsea community especially within Local Theatre as I am Secretary of Hornsea Amateur Theatre Society (HATS) as well as part of the production team for both the annual pantomimes and large musicals we produce every year.

I am a retired dentist who was co-opted onto the Governing Body in 2010. My three children have all benefitted from the excellent all round educator provided by Hornsea School and Language College. In the course of my career I specialized in providing dental care for people with disabilities and latterly managing the provision of dental services across Hull and the East Riding. I have been involved with the teaching of Dental Nurses for Hull College and undergraduate and postgraduate denied students for both Leeds Sheffield Universities. I was a member of the National Examining Board four Dental Nurses and an examiner for the Royal College of Surgeons of England in the field of community dentistry. This professional and managerial experience has helped me support the work of the Governing Body in delivering high quality education at H S L C. I am chair of the Personnel Committee which deals with staffing issues within the school.

Hello my name I Steven and I am a retired history teacher. Both my sons attended the school and received an excellent education that has equipped them to succeed in life. This is a good school trying to do the very best for every student and it is a privilege to play a part as a governor in seeking to ensure every child matters. I am also a non-stipendiary minister in the United Reformed Church and as such am a nominated governor of a 3-18 co-educational independent day school in Wakefield. Currently I chair their education committee. I find being a governor is a wonderful way to give something back for the brilliant years I had teaching at the school.

I am married with a son in Year 8 at HSLC. I joined HSLC as an employee at the start of the academic year 2005. I am currently the Learning Support Manager here. The role involves liaising with all staff (in both a teaching role and a support role) parents/carers and most importantly liaising with the students directly. I feel that my role enables me to have a diverse knowledge of how the school operates and the opportunities which are available for the young people who attend HSLC. In addition, I work closely with the feeder primary schools ensuring the transfer from Y6 to Y7 is happy. During this process I am able to share with the parents/carers and the students the opportunities which will be available – often allaying any fears and anxieties of the students (and their parents/carers!) Almost all aspects of my role evolve around ensuring the students at HSLC achieve their potential. As stated on the website “At HSLC we are committed to providing the highest possible standard of education for all students of all abilities”. As a member of the governing body of the school, I hope that I can contribute to this in an active way.

Having three children who all had successful and stimulating experiences at HSLC I believe an excellent education is important for the future economic and social success of students. For over 20 years I have been managing school finances and I am the Advanced Business Manager at Leven Primary School. In addition I provide one-to-one support to financial teams within schools across the East Riding. Outside of the school environment I am a member of the Wray Trust, an educational charity which provides grants, I am also the Treasurer for the Leven Festival, an annual event enjoyed by all of the village of Leven.

Hello, My name is Lisa Baillie, I'm married with 3 children. My eldest is currently studying for her degree after completing her journey with Hornsea School. My middle child is in year 10 at Hornsea School and my youngest is in year 1 at Skipsea School.

I was previously a governor at Skipsea School for 13 years.

I work as a Health Visitor in North Yorkshire, where I work with all families with children predominantly under 5 years old, with issues that affect their health and development.

I have a keen interest in child protection, personal, social and health education.
