HSLC continues to adopt an innovative multi-agency approach to supporting the emotional needs, well-being and educational progress and attainment of LAC. Our Student Support Team of dedicated non-teaching staff is managed by the HSLC Head of Inclusion (a qualified and HCPC registered Social Worker) and continues to be a demonstration of our investment in and commitment to supporting our more vulnerable/disaffected students, including those who are 'Looked After'.

### **Looked After Children**

A child who is looked after by a local authority (referred to as a looked-after child) as defined in section 22 of the Children Act 1989 means a child (0-18 years of age) who is subject to a care order (or an interim care order) or who is accommodated by the local authority.

### **Overview of HSLC Support Structure(s) for LAC**

Vicky Parnaby is the Designated Teacher for LAC and PLAC as part of her role as the Head of Learning Enhancement (SENCo).

The nominated HSLC Governor for LAC is Mr Ian Smith

The Head of Inclusion (Chris Hamling) and Head of Learning Enhancement (SENCo) work closely and collaborate to ensure that at a strategic and operational level within school, the needs of the LAC cohort are met and that a holistic approach is adopted.

HSLC has a dedicated LAC Pastoral Manager in post and based within the Student Support Team, who focuses on supporting the LAC cohort in school on a daily basis and liaising with partner agencies and carers to promote and ensure positive engagement with learning for each and every LAC. An established and structured program of LAC mentoring support and academic progress tracking is in place alongside 'open door' access to the LAC Pastoral Manager

The Head of Inclusion and LAC Pastoral Manager work collectively and take the professional lead role in terms of oversight and ensuring that LAC at HSLC are fully supported. The Head of Learning Enhancement (SENCo) assists as required

Additionally, The LAC cohort is also monitored and supported through the HSLC 'Disadvantaged Pupil'\* structure(s) which is overseen and managed by the Head of Learning Enhancement (SENCo) and which involves the routine and ongoing monitoring of this cohort in terms of progress in school across areas such as academic attainment / progress, attendance, additional needs, pastoral care, engagement with learning etc.

*\*Please note that the term 'Disadvantaged Pupils' refers to those pupils who attract government pupil premium funding: pupils claiming free school meals at any point in the last six years and pupils in care or who left care through adoption or another formal route. Ofsted School inspection handbook, P.25, footnote 43.*

LAC have open access to the Student Support Team which comprises professionals and access to specialist staff from a variety of partner agencies and backgrounds and disciplines – including Social Work, Counselling, Education Welfare, Youth and Family Support Service, Substance Misuse and Sexual Health, Emotional Literacy and Mental Health and School Nurse. Based in its own building on the school site, the Team is at the heart of an even wider network of support for our pupils. It may be rightly viewed as a multi-agency hub that is in place to support the diverse needs of the school community

Routine, day to day contact and liaison with academic Progress Leaders and Pastoral Manager's and other teaching staff along with the strong links with partner agencies, ensures that early intervention / support (with a strong emphasis on transitional work into Year 7) is co-ordinated and that the individual needs of each LAC s are understood and supported throughout their school life.

The Student Support Team works closely with relevant professionals (e.g. Social Work Case Manager and respective LA Virtual School Head) to undertake timely and informed LAC Reviews and Personal Education Planning (PEP) meetings in line with the timescales stipulated by statutory guidance and in conjunction with the policy and procedures of the relevant Local Authority that has responsibility for the individual LAC. HSLC has developed strong, positive and mutually supportive links with the each respective LAC Virtual School, which serves to promote effective and accountable use of PPG funding and the well-being, safeguarding and educational progress of the LAC cohort. The same principle applies to the relationships developed with foster carers.

We work closely with partner agencies and professionals to ensure that the Pupil Premium Grant the individual LAC Pupil Premium Plus (PP+) is utilised effectively and have established procedures within school to monitor and evaluate the impact of this. This brings transparency and accountability to the use of LAC PP+ funding received. This takes place within the overarching 'Disadvantaged Pupil' tracking support structure. We foster strong and close links with foster carers and support the viability of placements wherever possible. LAC academic progress and attainment, meaningful engagement with education, healthy personal development and wellbeing remains a key focus.

### **HSLC Commitment**

As a result of the adversity that they may have experienced, LAC may face some or all of the following, often mutually reinforcing challenges:-

- Poor education standards due to time out of school
- Delayed social/emotional/ cognitive development
- Be bullied or bully others.
- Be prone to mental health issues

This makes LAC an extremely vulnerable group in terms of education achievements and related future life chances and a well-documented and respected evidence base support this.
